Tijdloos design

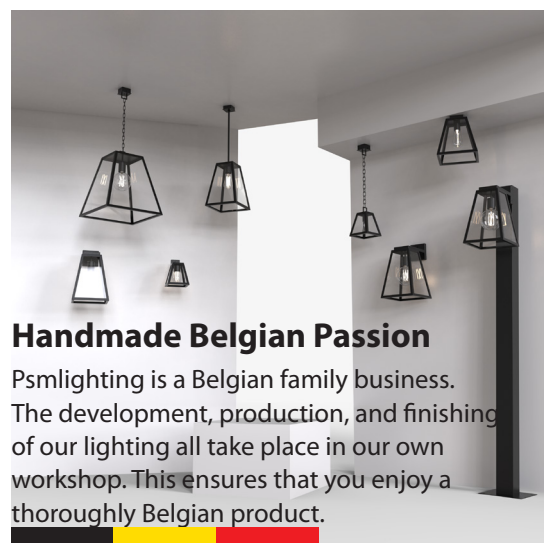

Bij psmlighting volgen we steeds de laatste nieuwe trends in de verlichtingswereld. We blijven ernaar streven om de functionele kant van onze armaturen met een modern en eigentijds design te combineren. Met onze jarenlange ervaring op zak weten we elk nieuw product in een uniek en tijdloos design te gieten.

Kwaliteit voorop

Een van onze prioriteiten is zonder twijfel kwaliteit. Bij psmlighting werken we steeds met hoogwaardige en duurzame materialen zoals inox, aluminium en messing. Door het intern verloop van het ontwikkelings- en fabricageproces, staan wij garant voor een continue kwaliteitscontrole. De Lipstick collectie is een mooi voorbeeld van onze topkwaliteit.

Handmade Belgian Passion

Psmlighting is a Belgian family business. The development, production, and finishing of our lighting all take place in our own workshop. This ensures that you enjoy a thoroughly Belgian product.
